Work Hard, Play Harder

At FEWA's 5th Annual National H2B Summit & Retreat you will have unlimited access to valuable resources, expertise and guidance, as well as plenty of opportunities to network with your colleagues in a casual and relaxed atmosphere.

The hotel's tour desk offers a range of ecological tours, such as ATV desert tours, sport fishing, whale watching (*remember last year?*), and visits to a sea lion colony and pelican preserve.

There's something for everyone in Cabo!
